FRIENDS BOOK CLUB

Join the Friends Wednesday, July 31 at 5p to discuss

The Wife, Meg Wolitzer.

Joe and Joan Castleman are on route to Helsinki, Joe is thinking about the prestigious literary prize he will receive and Joan is plotting how to leave him. Their marriage has been careering towards this moment, Joe's chance to bask in the glory of a life dedicated to letters and Joan's final appearance as his adoring wife. For too long Joan has played the role of supportive wife, turning a blind eye to his misdemeanors, subjugating her own talents and quietly being the key-stone of his success. *THE WIFE* is an acerbic and astonishing take on a marriage from its public face to the private world behind closed doors. Wolitzer has masterfully created an expose of lives lived in partnership and the truth that behind the compromises, dedication and promise inherent in marriage there so often lies a secret underpinning it all.
