FRIENDS BOOK CLUB

Join the Friends Wednesday, September 25th at 5 PM to discuss
Columbine, Dave Cullen

A masterpiece of reportage, this is the definitive account of the Columbine massacre, its aftermath, and its significance, from the acclaimed journalist who followed the story from the outset. *The tragedies keep coming. As we reel from the latest horror . . .* So begins a new epilogue, illustrating how Columbine became the template for nearly two decades of "spectacle murders." It is a false script, seized upon by a generation of new killers. In the wake of Parkland, Charleston, Newtown, Aurora, and Virginia Tech, the imperative to understand the crime that sparked this plague grows more urgent every year. What really happened April 20, 1999? The horror of Columbine left an indelible stamp on the American psyche, but most of what we "know" is wrong. It wasn't about jocks, goths, or the Trench Coat Mafia. Dave Cullen was one of the first reporters on scene, and spent ten years on this book -- widely recognized as the definitive account. With a keen investigative eye and psychological acumen, Cullen draws on mountains of evidence, insights from the world's leading forensic psychologists, and the killers' own words and drawings -- several reproduced in a new appendix for the paperback. In this *New York Times* bestselling work, Cullen paints raw portraits of two polar opposite killers, who stand in stark contrast against the flashes of resilience and redemption among the survivors of the Columbine massacre.

Alice in Wonderland, Lewis Carroll

Thursdays 5-6pm

On Thursday, September 26 (special time of 5:00-6:30) we will be throwing “A Mad Tea Party”! It is a special Wonderland Tea, with fabulous prizes and surreal silliness, including photo props and Wonderland games. It is open for 4th-8th grade visitors to participate and see if they’d like to join the Society (with parental signature and a library card in good standing, if they decide to join).

From the moment Alice tumbles down the rabbit hole, this fantastic, dreamlike adventure filled with unforgettable characters immediately captures the imagination of young and old alike. We will be reviewing the dreadful and delightful elements of this timeless classic with art projects, drama, costume, and more, featuring more than 70 illustrations by the famed, award-winning artist Robert Ingpen.
