

Hartford City Library

Winter Reading Program for Children

Warm up to a good book!

Join our winter reading program for kids! All you need is a library card in good standing to participate. Parents must accompany children under the age of 8.

The reading begins on January 7 and ends February 28.

We will have three age groups: Birth-4, 5-8 and 9-12. Each time you visit the children's area to check out or return books you may fill out an entry ticket. Entry ticket must include child's name, age, and phone number. Then just place your ticket in the drawing. You may read as much and enter as many times as you like. We will draw a name from each age group and give a prize to each lucky reader!

Take a calendar and see what activities you would like to attend. You may enter a ticket for attending an activity as well! If you attend a program and also return or check out books, you may fill out two tickets.

Wednesday, February 27 is the last day to enter tickets into the drawing.

On Thursday, February 28, we will have a reception at 4:00 p.m. with cookies and punch being served to all of our cool readers and their caregivers and prizes will be awarded to those whose names are drawn.
