

# Hartford City Public Library

Winter Reading Program -2021

for Children Ages Birth – 12

## Reading is Snow Much Fun!!

Join our winter reading program for kids! All you need is a library card and a parent to sign you up! Every child signed up will receive a book bag with a surprise inside!

The reading begins on January 4 and ends February 12.

If you like, you may participate online. (<https://hartfordcity.beanstack.org/>) You may register and track minutes on our Beanstack site. You will earn virtual badges along the way! Also available in app store as Beanstack Tracker App so that you can track minutes on your phone!

You may also participate in person. If registering in person, you will be given a log sheet and you may track the minutes that you've read by checking off symbols.

You will be asked to read 120 minutes (2 hours) a week for 6 weeks. Read 720 minutes (12 hours) over 6 weeks to complete the program.

There will be 3 prizes awarded to three readers chosen at random from those who have completed the program.

Friday, February 12 is your last day to log minutes on Beanstack or to return your completed log sheet to the children's librarian.
