

## Hartford City Public Library's Summer Reading Program 2022

June 13 - July 22

Children aged birth through 12!

Join our 6-week program of reading, crafts and entertainment!

Sign up in our children's area to participate within your age group:

Birth - 4, 5 - 8 and 9 - 12.

1. Sign-up will begin June 13 and you may sign up any time after.
2. Start logging your reading right away. You will be given a log sheet when you sign up.
3. After checking off 4 reading symbols, bring in your log for a prize and/or ticket.
4. You may choose a prize and also a ticket to place in the weekly or grand prize drawing or you may choose to take 2 tickets to place in either drawing.
5. You may also earn a ticket when you attend Explorers Story Time or any special summer reading entertainment!
6. Turn in your reading record by July 22 to be placed into a grand prize drawing.

There will be 3 grand prizes awarded at the end of the 6-week summer reading program. The winners of the grand prizes are chosen from impartial drawing of tickets within each age group of children who have turned in their completed reading record. There will also be a prize given weekly to 1 winner from the weekly drawing.

When you sign up you will receive a calendar showing all of the activities we will have during summer reading. Some of the things we will offer are Explorers Story Time, crafts, and entertainment. Leonardo will be performing for us at Weiler Park, Professor Steve will do his funny and educational science program, and more! Just check out your calendar that you will receive when signing up for event days, location and times.

You will see on your calendar that most events are taking place at the enclosed Sigma Phi Gamma shelter. This is located at Sigma Phi Gamma Park near 500 West Elm Street by the basketball court. There is a parking lot right there.

Leonardo will perform at Weiler park which is located on the corner of North Jefferson and East Main Streets.

Explorers Story Time will be in our Nature Park in back of the library weather permitting. In the case of rain or extreme heat we will be indoors.

Hope to see you! We look forward to being a part of your summer fun!
